### THE IMPERIAL CITIES

**Fès, Marrakech, Rabat,** and **Meknès** are Morocco's imperial cities.

Chosen at different times as royal capitals, they gained prestige and beauty through remarkable architectural developments.

Located in the heart of Marrakech's medina and restored in 2006 by perfumer Abderrazzak Benchaâbane, the **Museum of Perfume** invites visitors to discover the art of fragrance.

From distillation to packaging, the museum's rooms trace every stage of transforming raw materials used in perfumes, cosmetics, and body products..

Visitors can even create their own personalized perfume, moisturizing oil, or massage oil. Who wouldn't want to enjoy such a unique olfactory experience in Marrakech?
